London's Courts Board wants to be a voice for everyone who comes to a courthouse in whatever capacity. We want to hear from you so please come along on 11 December or contact us with your questions or concerns.

We focus on the key issues for London's crown, county and magistrates' courts, including public confidence, customer service, buildings, trials, delays to proceedings, future plans and services provided to local communities.

The Board is made up of people from different parts of the community and the judiciary. We work in partnership with HMCS London, the organisation responsible for the administration of the courts in the capital.

If you would like to receive a copy of the agenda or to attend the meeting contact:
